5th grader, Elaine Starkey's family is in the coffee roasting business- **LEAP COFFEE ROASTERS** will partner with NHE students to sell bags of fresh roasted, "**Rattlesnake Blend**" specialty coffee with **all the proceeds benefitting the Nichols Hills Elementary 5th Grade Endeavors** and the NHE Arts Enrichment Fund after.*

It works like a cookie sale- Your student will receive order forms Nov 1, to take home, gather orders, turn forms back approx. 2 weeks later, coffee is roasted per order, returned to school the following Monday for your child to deliver. We will offer this in Dec for holiday gifts. And then again in Jan, Feb, March & April.

We roast after your order is received, in small, handcrafted batches. It is packaged in 12 oz sealed bags with the NHE Rattlesnake logo with a one-way degassing valve & re-sealable tape to keep closed after opening.

The Rattlesnake Blend is fair trade & organic, blend of South American coffee beans. It is medium roasted, very smooth, low acidity, delicious coffee. We will have it in "Swiss Water Processed" Decaffeinated too!

You can buy coffee: Regular or Decaf ; Whole Bean or Ground.
